Corey,

I just tried calling you. Mr. Brockman is at check in, and he is being asked for arrangements concerning payment. You have agreed that the government will pay the costs of these tests, which are required by your expert. Please get back to me on either of the below numbers as soon as possible. In the interim, I will tell Mr. Brockman to continue to check in and proceed with the tests, and we will look to the government for reimbursement of anything that he is required to pay.

Kathy
